Ref: - 1st Years 2024/2025 Assessment Day 27/01/24

Morning Session – 9:15am – 11:30am

Dear Parent / Guardian

I would like to thank you for choosing Beaufort College as the post primary school for your student. An important date to support our planning and preparation for our new 1st year students is the **Incoming Student Assessment Day** which will take place on **Saturday 27th January 2024**. It is most important your student attends on the day and completes the Cognitive Ability Test (CAT). Students will also have the opportunity to meet staff and see our school facilities.

Your student is assigned to the morning session on Saturday 27th January from 9:15am – 11:30am.

Due to the large number of students attending it is not possible to change the time assigned.

On the day your student must bring the following with them:

- A set of wired earphones or headphones
- A bottle of water/juice
- A small snack (there will be a brief 10min break during the assessment)

I look forward to meeting our students on the day and working with you in the years ahead.

Mr. Ken Flynn

Principal
